

Admin Panel Dashboard

After logging in as an admin, you will be able to access the admin panel and navigate to the admin dashboard.

User's of your platform

- In this section, you can access comprehensive statistics about your platform. You'll find the total number of users, the number of new subscribers, and the total number of videos uploaded.
- Additionally, it displays the total number of series and the number of episodes uploaded to the platform. This information provides a complete overview of your platform's activity and growth.

Platform's storage and Subscription

The screenshot shows the Webnexs dashboard interface. On the left is a navigation menu with categories: Dashboard, Video (Video Management, Channel Management, TV Shows), Live Stream (Manage Live Stream), and Audio. The main content area is divided into two columns. The left column, titled 'User's Of Webnexs', displays a list of statistics: 596 Total User's, 0 New Subscriber's, 119 Total Video's, 12 Total Serie's, and 31 Total Episode's. The right column contains a 'Get Started' section with a red border, showing storage and subscription details: Space Available: 0 TB, Space Usage: 0 TB, Total Space Disk: 0 TB, and a subscription to Business that ends on 2028-Apr-21. Below this, there are prompts to 'Upload your Content' and 'First things first, you need Video' with an 'Upload Videos Now' button.

- In this section, you will find detailed information about your platform's storage and subscription status. It displays the total disk space allocated for your platform, the remaining storage space available, and the total space usage.
- Additionally, this section provides information about your subscription period, including the package end date. This allows you to monitor storage usage and keep track of your subscription timeline effectively.

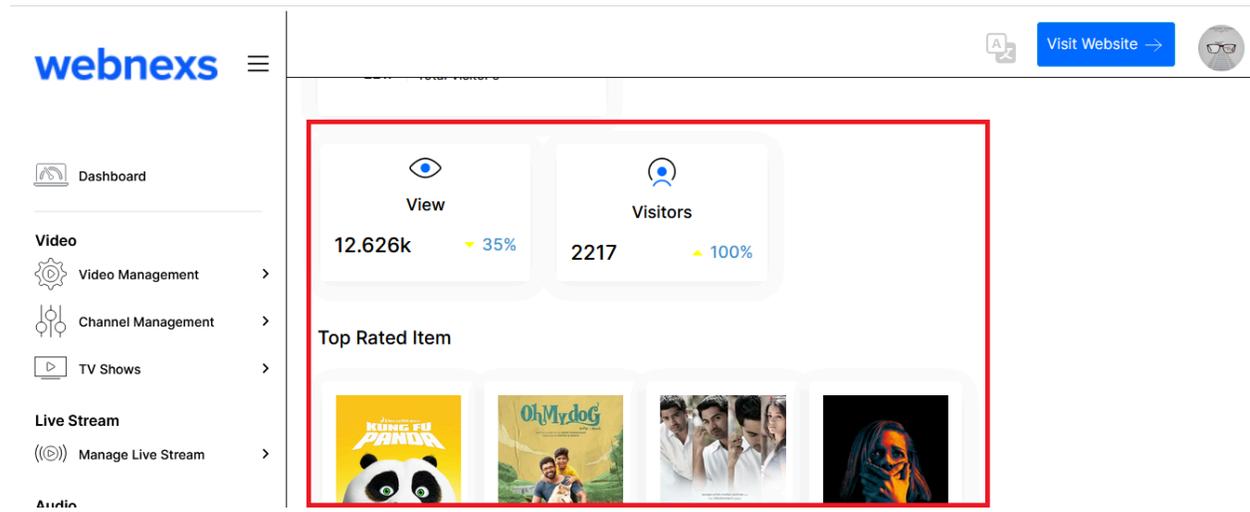

Revenue

The screenshot shows the webnexs dashboard interface. On the left is a navigation menu with sections for 'Dashboard', 'Video' (including Video Management, Channel Management, and TV Shows), and 'Live Stream' (including Manage Live Stream). The main content area displays a list of statistics: 12 Total Serie's, 31 Total Episode's, Total Revenue (\$ 3921525.5403519), Total Monthly Revenue (\$ 7232), Total Weekly Revenue (\$ 0), Total Daily Revenue (\$ 0), and 2217 Total Visitor's. A red box highlights the revenue and visitor statistics. To the right, there are prompts to 'Setup Website Logo, Name, Social Links, Payment Types, Etc' and 'Video. Upload A Video To Get Started.' with a 'Visit Website' button and an 'Upload Videos Now' link.

12	Total Serie's
31	Total Episode's
\$ 3921525.5403519	Total Revenue
\$ 7232	Total Monthly Revenue
\$ 0	Total Weekly Revenue
\$ 0	Total Daily Revenue
2217	Total Visitor's

- This section provides a detailed breakdown of your platform's financial performance and visitor activity. You can view the total revenue generated from the platform, as well as the revenue figures broken down by month, week, and day.
- Additionally, this section displays the total number of visitors who have visited your platform. This information helps you track your earnings and understand user engagement over different time periods.

Insights

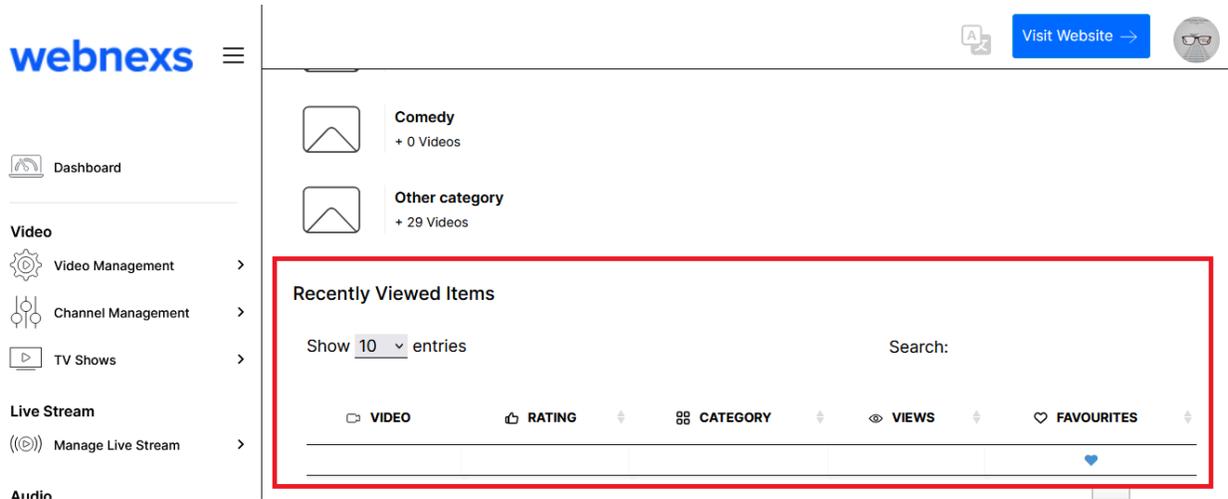

- In this section, you can find detailed insights into user activity and content performance on your platform. It displays the total number of visitors who have visited the platform, as well as the total number of views for the videos posted.
- Additionally, this section highlights the top-rated items (videos) on your platform. This information helps you understand user engagement, track the popularity of your content, and identify the most highly-rated videos by your audience.

Categories

The screenshot shows the 'webnexus' dashboard. On the left is a navigation menu with options: Dashboard, Video (Video Management, Channel Management, TV Shows), and Live Stream (Manage Live Stream). The main content area is divided into two sections: 'Categories' and 'Top Category'. The 'Categories' section lists: Thriller (+ 71 Videos), Drama (+ 44 Videos), Action (+ 27 Videos), Fantasy (+ 20 Videos), and Horror. The 'Top Category' section, highlighted with a red border, lists: Thriller (+ 1848 views), Drama (+ 3713 views), Action (+ 1192 views), Fantasy (+ 2137 views), Horror (+ 1086 views), Mystery (+ 51 views), Romance (+ 0 views), and Animation (+ 888 views).

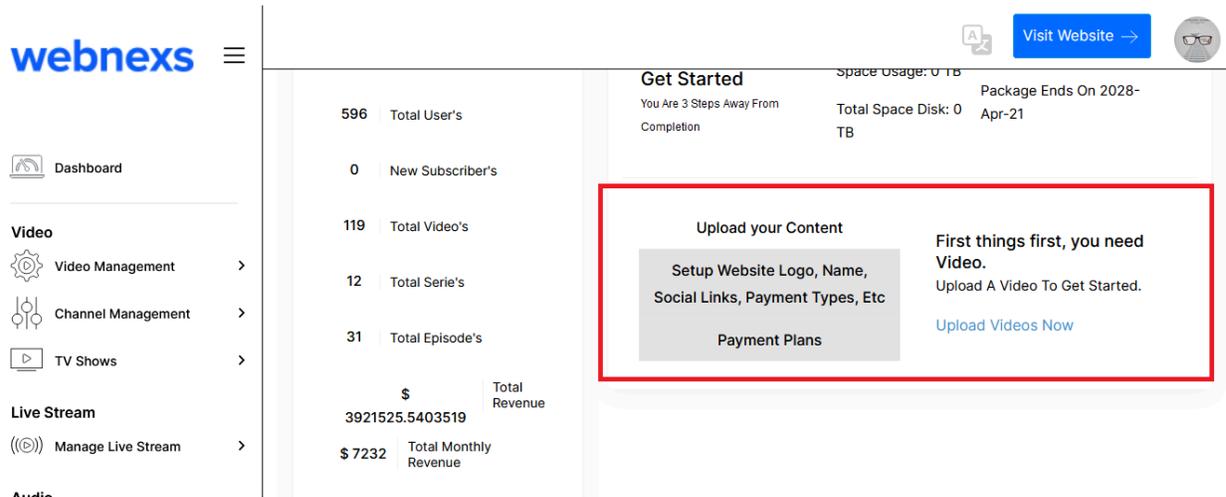

- In this section, you can view the various categories you have created on your platform. It also highlights the top category, showcasing the most popular or frequently accessed category by your users.
- This information helps you understand how your content is organized and which categories are attracting the most attention from your audience.

Recently viewed

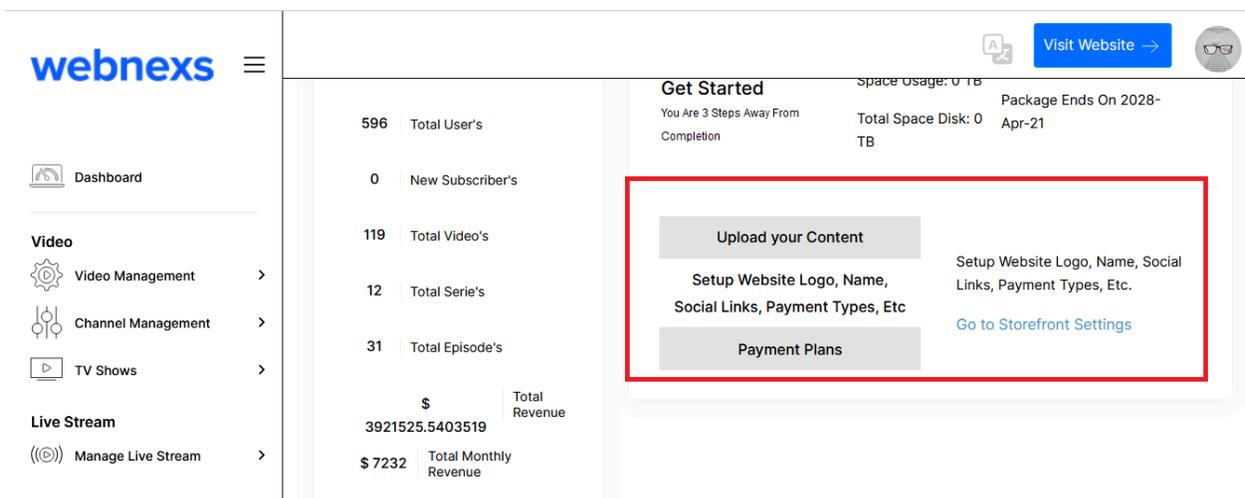

- In this section, you can find detailed information about the recently viewed videos on your platform. It displays the rating for each video, the category it belongs to, and the total number of views it has received.
- Additionally, you can see how many users have marked the video as a favorite. This information helps you track the popularity and user engagement of your recent content, providing insights into which videos are resonating most with your audience.

Upload your content

- In this section, the "Upload Your Content" tab provides an option to upload videos. By clicking on this tab, you will be redirected to the video upload page, where you can easily upload your videos.
- This feature streamlines the process, allowing you to add new content to your platform quickly and efficiently.

Setup website's Logo

- In this section, the "Setup Website Logo, Name, Social Links, Payment Types, etc." tab includes a "Go to Storefront Settings" option. By clicking this option, you will be redirected to the settings page where you can configure various aspects of your website.
- Here, you can upload the logo for your website, set the website name, and add social media links.
- Additionally, you can manage payment types and other essential settings, allowing you to customize and optimize your storefront according to your preferences.

Payment Plan

The screenshot displays the Webnexs dashboard interface. On the left is a navigation sidebar with the 'webnexs' logo and a menu containing 'Dashboard', 'Video' (with sub-items: Video Management, Channel Management, TV Shows), and 'Live Stream' (with sub-item: Manage Live Stream). The main content area is divided into several sections:

- Summary Metrics:**
